 - The Social Capital and Underinsured study abstracts will be submitted to the Child Health Services Research Meeting in Boston, MA and the AHRQ Annual Practice Based Research Network Meeting in Bethesda, MD.

- 2. MINUTES – minutes from the January 27, 2010 meeting were approved

- 3. COMMUNITY COORDINATOR REPORT– Greg Eberhart, M.D.
 - Greg, Caroline, Bill, and Miryoung have visited Northwest Dayton Pediatrics, South Dayton Pediatrics, and Ohio Pediatrics to present data on the underinsured study
 - All physicians have agreed to recruit parents for the Parental Advisory Board
 - Fall 2009 SOAR-Net newsletter has been published and it is time to begin thinking about spring!
 - We will schedule a time to go to Primed Wright Dunbar to present underinsured data to Alonzo Patterson's office
 - Gino Roncallo expressed an interest in having another SOAR-Net research talk at WPAFB

- 4. PROJECTS REPORT
 - Underinsured – original survey is from University of Colorado
 - Over 2000 surveys have been collected
 - Abstract accepted by PAS for the 2010 annual meeting
 - Bill, Jack, and Caroline are currently writing the paper

 - Maternal Mental Health
 - Abstract presented at the 2009 National PBRN meeting
 - Paper has been submitted to the *Journal of Pediatric Healthcare*

- We received positive feedback
- Will resubmit as a new manuscript in March
- More information will be added to discussion section
- Social Capital Study-
 - A conference call has been scheduled with investigators at Children's Hospital of Philadelphia (CHOP) regarding the factor analysis
 - Bill, Jack, and Adrienne will begin work on the cross sectional paper
 - Abstract was submitted to the 2010 National PBRN meeting
 - Data collection is ongoing at WPAFB
 - Diabetes and social capital data collection has begun at the CMC Diabetes Clinic
- Asthma – Shalini Forbis and Larry Goldenburg (med student)
 - Abstracts accepted at PAS
 - We are currently recruiting an additional 30 parents of children without asthma that will serve as a control group
 - Results indicate that parents are not good at using asthma action plans
 - Exploring the possibility of using video tapes

5. NEW STUDIES

- Barriers to mental health referrals
 - Caroline and Jack are working with Amy Heneghan, a San Francisco pediatrician and friend of Jack's, to construct a survey
 - Gino Roncallo would like SOAR-Net to use WPAFB as a site for this study
 - Jack and Caroline will present the questionnaire to the group at a later time
- QD vs BID Amoxicillin for strep throat
 - Goal is to be ready to start by Fall 2010
- Parental attitudes toward Gardasil
 - Sherman Alter and Shalini will collaborate
- Parents' perceptions of their children's overweight
 - We will separate silhouettes by gender
 - Target age is 2-19
 - Miryoung will send an email asking for feedback from SOAR-Net
 - Miryoung and Jack had a conference call regarding our collaboration with University of Texas Houston
 1. Survey will be translated to Spanish
